### MEMBERSHIP AND VOTING RIGHTS IN ASSOCIATION

Section 1. Qualifications and Voting. Every Owner of a Condominium shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Condominium. Each Owner is obligated promptly, fully and faithfully to comply with and conform to this Declaration, the Articles and By-Laws and the rules and regulations adopted thereunder from time to time by the Board and officers of the Association. Membership in the Association shall not be transferred, pledged or alienated in any way, except upon the sale or encumbrance of the Condominium to which it is appurtenant, and then only to the purchaser, in the case of a sale, or Mortgagee, in the case of an encumbrance of such Condominium. Any attempt to make a prohibited transfer is void. In the event the Owner of any Condominium shall fail or refuse to transfer the membership registered in his/her name to the purchaser of his/her unit, the Association shall have the right to record the transfer upon its books and thereupon the old membership outstanding in the name of the seller shall be null and void.

The Association shall have two classes of voting membership:

Class A. Class A Members shall be all Owners of a Condominium with the exception of Declarant, and shall be entitled to one (1) vote for each Condominium owned. When more than one person holds an interest in any Condominium, all such persons shall be Members. The vote for such Condominium shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Condominium.

Class B. Class B Member(s) shall be the Declarant and shall be entitled to three (3) votes for each Condominium owned. The Class B membership shall forever cease and be converted to Class A membership on the happening of any of the following events, whichever occurs earlier.

(a) When the total votes outstanding in the Class A membership equal the total votes outstanding in the Class B membership;

(b) On a date two (2) years from the anniversary of the original issuance of the most recently issued Subdivision Public Report for a phase of the overall Project; or

(c) On a date four (4) years from the anniversary date of the original issuance of the Subdivision Public Report for the first phase of the overall Project; or

(d) On September 1, 1991.

Section 2. Common Area. Except as otherwise provided herein, the Association acting through the Board and officers shall have the sole and exclusive right and duty to manage, operate, control, repair, replace or restore all of the Common Area or any portion thereof, together with the improvements, trees, shrubbery, plants and grass thereon, all as more fully set forth in this Declaration, the Articles and the By-Laws.

Section 3. Rules. The Board shall have the right to adopt reasonable rules not inconsistent with the provisions contained in this Declaration, and to amend the same from time to time relating to the use of the Common Area and the recreational and other facilities situated thereon by Owners and by their tenants or guests, and the conduct of such persons with respect to automobile parking, outside storage of boats, trailers, bicycles and other objects, disposal of waste materials, drying of laundry, control of pets and other activities which, if not so regulated, might detract from the appearance of the community or offend or cause inconvenience or danger to persons residing or visiting therein. Such rules may provide that the Owner of a Condominium whose occupant leave property on the Common Area in violation of the rules may be assessed after appropriate notice and an opportunity for a hearing before the Board which satisfies the requirements of Section 7341 of the California Corporations Code as set forth in ARTICLE XVI of the By-Laws and a two-thirds (2/3) vote of approval by the Board to cover the expense

incurred by the Association in removing such property and storing or disposing thereof. The Board may suspend the voting rights and right to use the recreational facilities located on the Common Area of a Member who is in default in the payment of any assessment for any period during which such assessment remains unpaid, and for a period not to exceed thirty (30) days for any infraction of its rules and regulations after reasonable written notice and an opportunity for a hearing before the Board which satisfies the requirements of Section 7341 of the California Corporations Code as set forth in ARTICLE XVI of the By-Laws.

Such entry shall be made with as little inconvenience to the Owner as possible and any damage caused thereby shall be repaired by the Association. Further, such entry for other than emergency repairs shall be made only after not less than three (3) days' notice has been given to the Owner.

Section 5. No Liability. In discharging their duties and responsibilities, the Board acts on behalf of and as representative of the Association which acts on behalf of and as representative of the Owners, and no Member thereof shall be individually or personally liable or obligated for performance or failure of performance of such duties or responsibilities unless he fails to act in good faith.

Section 6. Joint Owner Disputes. The vote for each such Condominium must be cast as a unit, and fractional votes shall not be allowed. In the event that joint Owners are unable to agree among themselves as to how their vote or votes shall be cast, they shall lose their right to vote on the matter in question. If any Owner casts a vote representing a certain Condominium, it will thereafter be conclusively presumed for all purposes that he/she or they were acting with the authority and consent of all other Owners of the same Condominium.

Each such assessment, together with interest, costs, penalties and reasonable attorney's fees shall also be the personal obligation of the person or persons who were the Owner(s) of such Condominium at the time when the assessment fell due. Each Owner shall be responsible for (i) notifying the Association of any pending change or transfer of title to his/her Condominium and (ii) paying any and all due and unpaid assessments, including interest, costs, penalties and attorneys' fees related thereto, if any, levied against his/her Condominium prior to and/or concurrent with any such transference of title. The personal obligation for delinquent assessments shall not pass to an Owner's successors in title unless expressly assumed by them. No Owner of a Condominium may exempt himself/herself from liability for his/her contribution toward the common expenses by waiver of the use or enjoyment of any of the Common Area or by abandonment of his/her Condominium.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of all the residents in the entire project and for the improvement and maintenance of the Common Area for the common good of the Project.

The maximum annual regular assessments for each of those Living Units consisting of 1,358 square feet as determined and set forth in Recital D of this Declaration, shall be approximately \$1,650.00, determined in accordance with ARTICLE III, Section 3(i) and (ii) hereof.

The maximum annual regular assessments for each of those Living Units consisting of 1,570 square feet as determined and set forth in Recital D of this Declaration, shall be approximately \$1,675.00, determined in accordance with ARTICLE III, Section 3(i) and (ii) hereof.

The maximum annual regular assessments for each of those Living Units consisting of 1,650 square feet as determined and set forth in Recital D of this Declaration, shall be approximately \$1,700.00, determined in accordance with ARTICLE III, Section 3(i) and (ii) hereof.

(i) The regular assessment shall be based upon the annual budget adopted as per Article IV, Section 16 of this Declaration.

(ii) From and after February 1st of the year immediately following the conveyance of the first Condominium to an Owner, the maximum annual regular assessment may be increased each year by not more than fifteen percent (15%) above the maximum assessment for the previous year without a vote of the membership of the Association.

(iii) From and after February 1st of the year immediately following the conveyance of the first Condominium to an Owner, the maximum annual regular assessment may be increased more than fifteen percent (15%) above the maximum assessment for the previous year by the vote or written assent of fifty-one percent (51%) or more of each class of Members of the Association.

The Board may fix the annual regular assessment at an amount not in excess of the maximum.

Section 4. Special Assessment. In addition to the annual regular assessments authorized above, the Association may levy, in any fiscal year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of (i) any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, or (ii) any other action or undertaking on behalf of the Association which exceeds the budgeted gross expenses of the Association for that fiscal year, provided that any such assessment shall have the vote or written assent of fifty-one percent (51%) or more of each class of Members of the Association. The Association may also levy a special assessment against any Member to reimburse the Association for costs incurred in bringing a Member and his Condominium into compliance with the provisions of this Declaration, the Articles, the By-Laws, and the Association's rules and regulations, and any amendments thereto, which special assessment may be levied upon the vote of the Board after notice and an opportunity for a hearing which satisfy the requirements of Section 7341 of the California Corporations Code, as set forth in ARTICLE XVI of the By-Laws.

Section 5. Membership Approval. Any action authorized under Section 3 or 4 above shall be taken at a meeting called for that purpose, written notice of which shall be given to all Members not less than ten (10) days nor more than ninety (90) days in advance of the meeting; provided, however, if notice is given by mail and the notice is not mailed by first-class, registered or certified mail, then notice shall be given not less than twenty (20) days before the meeting. A quorum for such meeting shall be a majority of the voting power of the membership of the Association. If the required quorum is not present, another meeting may be called

subject to the same notice requirement, and the required quorum at the subsequent meeting shall be twenty-five percent (25%) of the voting power of the membership of the Association; provided, however, if (i) the meeting so adjourned is an annual meeting and (ii) the adjourned annual meeting is actually attended, in person or by proxy, by less than thirty-three and one-third percent (33-1/3%) of the voting power of the membership of the Association, then the only matters which may be voted upon thereat, are matters notice of the general nature of which was duly given. If the proposed action is favored by a majority of the votes cast at such meeting, but such vote is less than the requisite fifty-one percent (51%), Members who were not present in person or by proxy may give their assent in writing, provided the same is obtained by the appropriate officers of the Association not later than thirty (30) days from the date of such meeting.

Section 6. Uniform Rate. Both regular assessments and special assessments shall be fixed at a uniform rate for all Condominiums; provided, however, that (a) special assessments to raise funds for the rebuilding or major repair of the Common Area shall be based on the ratio of the square footage of the floor area of the Living Unit to be assessed to the total square footage of floor area of all Living Units to be assessed, with the square footage to be as determined and set forth in Recital D of this Declaration, and (b) special assessments shall not be levied uniformly where special assessments are a remedy utilized by the Board to reimburse the Association for costs incurred in bringing a Member into compliance with provisions of this Declaration, the Articles, By-Laws and rules and regulations of the Association. Such assessments may be collected on a monthly basis or otherwise as determined by the Board. Any assessment not paid within thirty (30) days after the due date shall be delinquent and shall bear interest at the rate of ten percent (10%) per annum from the due date until paid.

Section 7. Commencement of Assessments. The regular assessments provided for herein shall commence as to all Condominiums covered by this Declaration on the first day of the month following the conveyance of the first Condominium to an Owner. The first annual assessment shall be prorated according to the number of months remaining in the fiscal year. Voting rights attributable to subdivision interests shall not vest until assessments against those interests have been levied by the Association. The Board shall determine and fix the amount of the annual regular assessment against each Condominium at least thirty (30) days in advance of each annual assessment. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board. The Association shall, upon demand,

and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Condominium have been paid. A properly executed certificate of the Association as to the status of assessments on a Condominium is binding upon the Association as of the date of its issuance.

Section 8. Enforcement by Lien. At any time after any assessments levied by the Association affecting any Condominium have become delinquent, the Board may file for recording in the Office of San Diego County Recorder a notice of delinquency as to such Condominium, which notice shall state all amounts which have become delinquent with respect to such Condominium and the costs (including attorney's fees) and interest which have accrued thereon, the amount of any assessments relating to such Condominium which is due and payable although not delinquent, a description of the Condominium with respect to which the delinquent assessments are owed, and the name of the record or reputed record owner of such Condominium. Such notice shall be signed by the President or Vice President and Secretary or Assistant Secretary of the Association. In the event the delinquent assessments and all other assessments which have become due and payable with respect to the same Condominium together with all costs (including attorney's fees) and interest which have accrued on such amounts are fully paid or otherwise satisfied prior to the completion of any sale held to foreclose the lien provided for in this Article, the Board shall record a further notice, similarly signed, stating the satisfaction and releasing of such lien. Immediately upon recording of any notice of delinquency pursuant to the foregoing provisions of this Section, the amounts delinquent, as set forth in such notice, together with the costs (including attorney's fees) and interest accruing thereon, shall be and become a lien upon the Condominium described therein, which lien shall also secure all other payments and/or assessments which shall become due and payable with respect to said Condominium following such recording, and all costs (including attorney's fees) and interest accruing thereon. Said lien shall continue for a period of one (1) year unless extended for a period of an additional year by the recording of a written extension by the Association. When a notice of assessment has been recorded, such assessment shall constitute a lien on each respective Condominium prior and superior to all other liens; except (i) all taxes, bonds, assessments and other levies which, by law, would be superior thereto, and (ii) the lien or charge of any first Mortgage of record.

Notwithstanding any provision herein to the contrary, a monetary penalty imposed by the Association as a disciplinary measure for failure of a Member to comply with the Condominium Documents or as a means of reimbursing the Association for costs incurred by the Association in the repair of damage to Common Areas and facilities for which the Member was allegedly responsible or in bringing the Member and his Condominium into compliance with the Condominium Documents shall not be treated as an assessment which may become a lien against the Member's Condominium enforceable by a sale of the Condominium in accordance with the provisions of Sections 2924, 2924(b) and 2924(c) of the California Civil Code. The foregoing shall not apply to charges imposed against an Owner consisting of reasonable late payment penalties for delinquent assessments and/or charges to reimburse the Association for the loss of interest and for costs reasonably incurred (including attorneys' fees) in its efforts to collect delinquent assessments, which shall be treated as an assessment which may become a lien against the Member's Condominium enforceable by a sale of the Condominium in accordance with the provisions of Sections 2924, 2924(b) and 2924(c) of the California Civil Code

Any monetary penalty imposed by the Association as a disciplinary measure for failure of a Member to comply with the Condominium Documents or as a means of reimbursing the Association for costs incurred by the Association in the repair of damage to Common Areas and facilities for which the Member was allegedly responsible or in bringing the Member and his Condominium into compliance with the Condominium Documents or any charge imposed against an Owner consisting of reasonable late payment penalties for delinquent assessments and/or charges to reimburse the Association for the loss of interest and for costs reasonably incurred (including attorneys' fees) in its efforts to collect delinquent assessments shall be the personal obligation of the Member against whom such penalty or charge was imposed enforceable by any remedy provided therefor by law.

Section 9. Foreclosure. Each assessment lien may be foreclosed as and in the same manner as the foreclosure of a mortgage upon real property under the laws of the State of California, or may be enforced by sale pursuant to Section 2932, 2924(a), 2924(b), 2924(c) and 1356 of the California Civil Code, and to that end a power of sale is hereby conferred upon the Association. The Association, acting on behalf of the Condominium Owners, shall have the power to bid for the Condominium at a foreclosure sale, and to acquire and hold, lease, mortgage and convey the same. Suit to recover a money judgement for unpaid assessments, rent and attorney's fees shall be maintainable without foreclosing or waiving the lien securing the same.

Section 10. Subordinate to First Mortgage. The lien of the assessments provided for herein shall be subordinate to the lien of any first Mortgage upon any Condominium. Sale or transfer of any Condominium shall not affect the assessment lien. However, the sale or transfer of any Condominium as the result of the exercise of a power of sale or a judicial foreclosure involving a default under the first mortgage shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Condominium from lien rights for any assessments thereafter becoming due. Where the Mortgagee of a first Mortgage of record or other purchaser of a Condominium obtains title to the same as a result of foreclosure, such acquirer of title, his/her successors and assigns, shall not be liable for the share of the common expenses or assessments by the Association chargeable to such Condominium which became due prior to the acquisition of title to such Condominium by such acquirer. Such unpaid share of common expenses or assessments shall be deemed to be common expenses collectible from all of the Condominiums including such acquirer, his/her successors and assigns.

Section 11. Assessment for Taxes. In the event that any taxes are assessed against the Common Area or the personal property of the Association, rather than against the individual Condominiums, said taxes shall be added to the annual regular assessments and, if necessary, a special assessment may be levied against the Condominium in an amount equal to said taxes, to be paid in two (2) installments. Assessments levied under this Section shall not be subject to the provisions of Section 3 of Article III of this Declaration.

Section 12. Enforcement by Suit. The Board may cause an action at law to be commenced and maintained in the name of the Association in any court of competent jurisdiction, including, but not limited to, an action in a small claims court, to enforce each such assessment obligation. Any judgement rendered in any such action shall include the amount of the delinquency, together with interest thereon at the rate of ten percent (10%) per annum from the date of delinquency, court costs, and reasonable attorneys' fees in such amount as the court may adjudge against the delinquent Owner (including Declarant).

Section 13. Deposit. Upon acquisition of record title to a Condominium from Declarant, each Owner shall make a contribution to the capital of the Association in an amount equal to one-sixth (1/6) the amount of the maximum annual regular assessment per Condominium initially established, as set forth in ARTICLE III, Section 3 hereof. This amount shall be deposited by the buyer into the purchase and sale escrow and disbursed therefrom to the Association. Prior to the expiration of six (6) months after the date of the conveyance of the first Condominium, Declarant shall deposit into an escrow for each and every Condominium not yet sold an amount equal to one-sixth (1/6) the amount of the maximum annual regular assessment per Condominium initially established, as set forth in ARTICLE III, Section 3 hereof. Escrow shall remit these funds to the Association. Upon the close of escrow of any Condominium for which the capitalization fund was prepaid by Declarant, escrow shall remit to the Declarant the capitalization fee collected from the buyer. Said capital contributions shall be limited to the first sales of Condominium by Declarant and shall not apply to any resale of Condominium.

Section 14. Assessment Certificate. A certificate executed under penalty of perjury by any two (2) members of the Board and acknowledged shall be conclusive upon the Association and the Owners in favor of any and all persons who rely thereon in good faith as to the matters therein contained, and any Owner (including Declarant) shall be entitled to such a certificate setting forth the amount of any due and unpaid assessments with respect to his/her Living Unit (or the fact that all assessments due are paid if such is the case) within ten (10) days after demand therefor and upon payment of a reasonable fee, not to exceed Ten Dollars (\$10.00), which may be fixed by the Board.

ARTICLE IVPOWERS AND DUTIES OF ASSOCIATION

Subject to other provisions of this Declaration and to the limitations of the Articles, the By-Laws and the California Corporations Code as to action to be authorized or approved by the Members, all corporate powers shall be exercised by or under the authority of, and the business and affairs of the Association shall be controlled by, the Board. Without prejudice to such general powers but subject to the same limitations, it is hereby expressly declared that the Directors shall have the following powers and duties:

Section 1. Elect Officers. To select and remove all the officers, agents and employees of the Association, prescribe such powers and duties for them as may not be inconsistent with law, the Articles, the By-Laws or this Declaration, and, subject to the provisions of Section 3(b) of Article VIII of the By-Laws, to fix their compensation.

Section 2. Management and Control. To conduct, manage and control the affairs and business of the Association, and to make such rules and regulations therefor not inconsistent with law, the Articles, the By-Laws or this Declaration as they deem best, including rules and regulations for the operation of the Common Area and facilities owned or controlled by the Association.

Section 3. Principal Office. To change the principal office for the transaction of the business of the Association from one location to another within the same County and to designate a place within the Project or as close thereto as possible within the County of San Diego, State of California, for the holding of any membership meeting or meetings.

Section 4. Incur Indebtedness. To borrow money and incur in indebtedness for the purposes of the Association, and to cause to be executed and delivered therefor, in the corporate name, promissory notes, bonds, debentures, deeds of trust, mortgages, pledges, hypothecations or other evidences of debt and securities therefor, with the vote or written assent of two-thirds (2/3) of the voting power of each class of Members of the Association.

Section 5. Obtaining Insurance. To obtain and maintain in force the following policies of insurance:

- (1) Master policy of condominium casualty insurance covering fire and extended coverage insurance and any other perils that the Association shall deem advisable on all improvements, buildings and structures in the Project, the amount of such insurance to be not less than the aggregate full insurable value, meaning actual replacement value exclusive of the cost of excavating, foundations and footings, together with an agreed value endorsement and with such other coverage and amounts of coverage as shall be required by Federal National Mortgage Association and Government National Mortgage Association from time to time so long as Federal National Mortgage Association or Government National Mortgage Association is a mortgagee or beneficiary under a deed of trust of a Condominium within Project;
- (2) Bodily injury liability insurance, with limits of not less than \$200,000 per person and \$1,000,000 per occurrence, and property damage liability insurance with a deductible of not more than \$1,500 and a limit of not less than \$500,000 per accident, insuring against liability for bodily injury, death and property damage arising from the activities of the Association or with respect to property under its jurisdiction.
- (3) Fidelity insurance in the form of a bond in an amount equal to at least the estimated maximum of funds, including reserves, in the custody of the Association or a management agent at any given time during the term of the Fidelity Bond. However, the bond shall not be less than a sum equal to three (3) months aggregate assessments on all Condominiums plus reserve funds. The Bond shall name the Association as Insured and protect against misuse and misappropriation of Association property by members of the Board, officers, trustees and employees of the Association, and any management agent and its officers, agents and employees whether or not such persons are compensated for their services.
- (4) Worker's Compensation Insurance covering any employee of the Association.
- (5) Such other insurance, including errors and omissions coverage for Officers' and Directors' indemnity and other bonds, as the Board shall deem necessary or expedient to carry out the Association functions as set forth in this Declaration, the Articles and the By-Laws.

The liability insurance referred to above shall name as separately protected insureds Declarant, the Association, the Board, and their representatives, members and employees, and the Association Members (as a class), with respect to any liability arising out of the maintenance or use of any Common Areas or Recreational facilities, if any, under the jurisdiction of the Association. Such policy or policies shall protect each of the insureds as if each were separately insured under separate policies; provided, however, that such policy or policies shall not require the insurers to pay any amount in excess of the maximum limits stated therein.

Every policy of insurance obtained by the Association, whether or not required to be obtained pursuant to the provisions of this Declaration, shall expressly waive any and all rights of subrogation against Declarant, its representatives and employees, and all Members.

The insurance premium on the policies provided by the Association shall be a common expense to be included in the monthly assessments levied by the Association, and the portion of such payments necessary for the insurance premiums shall be held in a separate account of the Association and shall be used solely for the payment of the premiums on the insurance policies as such premiums become due.

Each owner shall be responsible to pay any deductible amount for any loss to his Condominium. Each Owner may separately insure the improvements not covered by the master fire insurance policy and personal property within his Condominium. No owner shall insure his Condominium in any manner which would cause any diminution in insurance proceeds from the master policy. Should any owner violate this provision he shall be responsible to the Association for any such diminution.

Section 6. Notice of Cancellation of Insurance or Fidelity Bond. Upon written request to the Association identifying (i) the name and address of the holder, insurer or governmental guarantor of any first Mortgage encumbering any Condominium and (ii) the number or address of such Condominium, to notify the same in writing at least ten (10) days prior to any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association.

Section 7. Utilities. To pay all charges for water, electricity, gas, and other utility services for the Common Area and, to the extent not separately metered or charged, for each Living Unit.

Section 8. Common Area. To manage, operate, maintain and repair the Common Area and all improvements located thereon, including the restoration and replacement of any or all of the buildings, structures or improvements which are part of the Common Area at any time and from time to time as the Board may determine desirable or necessary; and to make capital expenditures for and on behalf of the Association with the vote or written assent of a majority of the voting power of each class of Members of the Association.

Section 9. Right of Entry. To enter onto any Exclusive Use Area subject to the limitations set forth in the Declaration.

Section 10. Enforcement. To enforce the provisions of the Declaration, the Articles and By-Laws of the Association, the rules and regulations adopted by the Board and the provisions of any agreement to which the Association is a party.

Section 11. Services and Supplies. To contract and pay for maintenance, gardening, utilities, materials, supplies and services relating to the Common Area, and to employ personnel necessary for the operation and maintenance of the same, including legal and accounting services; provided, however, that the term of any contract with a third person for supplying goods or services to the Common Area or for the Association shall not exceed a term of one (1) year unless a longer term is approved by a majority of the voting power of each class of Members of the Association, except that (a) a contract with a public utility company for materials or services the rates for which are regulated by the Public Utilities Commission may exceed a term of one (1) year so long as it does not exceed the shortest term for which the public utility will contract at the regulated rate, (b) a contract for prepaid casualty and/or liability insurance policies may be for a term of not to exceed three (3) years, provided that the policy permits short rate cancellation by the Association, (c) a management contract, the terms of which have been approved by the Veterans Administration may exceed a term of one (1) year and (d) a lease agreement for laundry room fixtures and equipment may be for a term of not to exceed five (5) years, provided that the lessor under the agreement is not an entity in which the Declarant has a direct or indirect ownership interest of ten percent (10%) or more. Anything contained herein to the contrary notwithstanding, the Board shall not terminate professional management of the Condominium Property and assume self-management without the prior written approval of at least fifty-one percent (51%) of the Eligible Mortgage Holders and the prior consent (by vote or written consent) of Members representing sixty-seven percent (67%) or more of the voting power of each class of Members; provided, however, in the event the Class B membership has been converted to Class A membership, then sixty-seven percent (67%) or more of the total voting power of the Association comprised of at least sixty-seven percent (67%) of the votes of Members other than Declarant.

Any agreement for management of the Condominium Property and any other contract providing for services by the Declarant, shall be terminable for cause upon thirty (30) days written notice, and without cause or payment of a termination fee upon ninety (90) days, or fewer, written notice and shall have a term of not more than three (3) years, renewable with the consent of the Association and the management agent. No contract with the Association negotiated by Declarant shall exceed a term of one (1) year.

Section 12. Employment of Agents. To employ the services of any person or corporation as Manager, and other employees, to manage and conduct the business of the Association, and to the extent not inconsistent with the laws of the State and upon such conditions as are otherwise deemed advisable by the Association, to delegate to the Manager any of its powers; provided that any agreement for management or person hired as Manager shall not exceed one year, renewable by agreement of the parties for successive one (1) year periods and shall be terminable by the Association for cause upon thirty (30) days written notice.

Section 13. Maintenance Contract. To enter into a maintenance service contract with any person, corporation or other entity for the maintenance of the Common Area, including materials and/or services for the Common Area or the Association, provided that any such contract shall be for a period of one (1) year, renewable by agreement of the parties for successive one (1) year periods and any such contract shall be terminable by the Association for cause upon thirty (30) days written notice.

Section 14. Taxes. To pay any taxes and governmental special assessments which are or could become a lien on the Common Area or any portion thereof.

Section 15. Discipline. To initiate and execute disciplinary proceedings against Members of the Association for violations of the provisions of the Articles and By-Laws, this Declaration and the rules and regulations adopted by the Board.

Section 16. Budget. To prepare budgets and financial statements for the Association as provided by the By-Laws. The budget shall contain two parts. The first part shall be for operating expenses and shall include the estimate for the day to day costs of operation and maintenance. The second part shall include reserves for items of repair and maintenance that are major items and, although not made every year, money must be accumulated each year to insure sufficient funds when these repairs and maintenance are necessary. The original budget includes the following items as reserves:

1. Alterations
2. Painting
3. Roof Replacement
4. Recap and seal coating
5. Inflation Reserve

The Board shall maintain the integrity of the budget by maintaining reserves for the items set out above and these reserves shall not be used for operating expenses nor shall operating funds be used to pay for an expenditure covered by a reserve. Reserves for a specific item shall only be expended for that particular item.

Section 17. Notice of Default. Upon the written request of any holder, insurer or governmental guarantor of a first Mortgage encumbering any Condominium, to notify the same in writing of any default by the Owner of such Condominium in the performance of the Owner's obligations under the By-Laws or this Declaration which is not cured within thirty (30) days.

Section 18. Notice of Taking. The Association shall give, if required by the Federal Home Loan Mortgage Corporation or Federal National Mortgage Association, notice in writing at the addresses to be supplied to the Association by Federal Home Loan Mortgage Corporation for that organization and Federal National Mortgage Association for that organization of any loss to or taking of any Living Unit or the Common Area owned by the Association and/or its Members if such loss or taking exceeds \$10,000.00, and of any damage to a Living Unit if such damage exceeds \$1,000.00.

Section 19. Notice of Damage. Upon the written request of any holder, insurer or governmental guarantor of a first Mortgage encumbering any Condominium, to give timely written notice to the same of any substantial damage to or destruction of any Living Unit or any portion of the Common Area and, if any Living Unit, or any portion thereof, or the Common Area, or any portion thereof, is made the subject of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, to give timely written notice to the same of any such proceeding or proposed acquisition.

Section 20. Defense. To prosecute or defend, in the name of the Association, any action affecting or relating to the Common Area or the property owned by the Association, and any action in which all or substantially all of the Owners have an interest.

Section 21. Delegation of Powers. To delegate any of its powers hereunder to others, including Committees, officers and employees.

Section 22. Rules. To adopt, amend and repeal rules and regulations known as the "Rules", governing, among other things, use of any Common Areas under the jurisdiction of the Association. Said Rules may restrict and govern the use of Common Areas by any Owner, by the family of such Owner, or by any invitee, licensee or lessee of such Owner; provided, however, that with respect to use of such Areas, the Rules may not discriminate among Owners. Said Rules may also include parking restrictions and limitations, limitations upon vehicular travel, restrictions on the type or types of vehicles which may be permitted to use such Common Areas, architectural controls and restrictions on the maintenance of landscaping or other improvements on any property which obstruct the vision of motorists or which create a hazard for vehicular or pedestrian traffic.

A copy of said Rules, as they may from time to time be adopted, amended or repealed shall be posted at a prominent place or places within the Common Area and shall be given to each Member and, upon written request therefor, to all first Mortgagees either personally or mailed by first-class, registered or certified mail, postage prepaid to his address appearing on the books of the Association or supplied by him to the Association. If no address is supplied, a copy of said Rules shall be deemed given if mailed to the address of the Living Unit owned by such Member. Copies of such Rules shall be posted and circulated to each Member in the manner set forth above not less than ten (10) days and not more than sixty (60) days before said rules may be deemed to be in full force and effect. A copy of said Rules, as adopted, amended or repealed, may be recorded and shall have the same force and effect as if they were set forth in and were a part of this Declaration.

Section 23. Right to Grant Easements. To grant permits, licenses and easements under, through and over the Common Area for utilities, roads and other purposes which are reasonably necessary or useful for the proper maintenance and operation of the Project.

Section 24. Availability of Documentation. To make available to any prospective purchaser of a Condominium, any owner of a Condominium, any first Mortgagee and the holders, insurers and guarantors of a first Mortgage on any Condominium, current copies of the Declaration, the Articles, the By-Laws, the rules and regulations governing the Condominium and all other books, records and financial statements of the Association. The term "available" as used in this Section shall at least mean available for inspection upon request during normal business hours or under other reasonable circumstances.

## ARTICLE V

### USE OF LIVING UNITS AND COMMON AREA AS DESCRIBED IN CONDOMINIUM

#### PLAN

Section 1. Single Family Residential Use. Each Living Unit shall be improved, used and occupied for private, single-family dwelling purposes only, and no portion thereof nor the Common Area shall be used for any commercial purpose whatsoever; provided, however, Declarant may use any of the Living Units owned by Declarant as model homes and sales offices during that period of time commencing when the Condominiums are first sold or offered for sale to the public and ending when all the Condominiums in the project are sold and conveyed by Declarant to separate Owners thereof or seven (7) years from the date of the sale of the first Condominium in the Project, whichever shall first occur.

Section 2. Animals. No animals or birds shall be maintained on any property within Living Units and Exclusive Use Areas unless authorized by the Board and, if authorized by the Board, no animals limited to a maximum of two of any one kind, shall be maintained on any property within Living Units and then only if they are kept thereon solely as domestic pets and not for commercial purposes. If allowed by the Association, no animal or bird shall be allowed to make an unreasonable amount of noise, or to become a nuisance. If allowed by the Association, no structure for the care, housing or confinement of any animal or bird shall be maintained so as to be Visible From Neighboring Property. Upon the written request of any Owner, the Board shall conclusively determine in its sole and absolute discretion whether, for the purposes of this paragraph, a particular animal or bird is a generally recognized house or yard pet, or a nuisance, or whether the number of animals or birds on any such property is reasonable. The Board shall have the power to prohibit pets or allow them in any amount desired except that they shall not be allowed in excess of the amounts set out above.

Section 3. Antennas. No Antenna or other device for the transmission or reception of television signals or any other form of electromagnetic radiation, including, but not limited to, a dish or other device capable of transmitting or receiving signals for cable, satellite or pay-television systems, shall be erected, used or maintained outdoors, whether attached to a building or structure or otherwise, by any Owner. Notwithstanding the foregoing, nothing herein shall be construed as preventing Declarant or the Association from erecting, using and maintaining a master antenna outdoors in a location determined by Declarant and shown on plans filed by Declarant with the Board.

Section 4. Utility Service. No lines, wires or other devices for the communication or transmission of electric current or power, including telephone, television and radio signals, shall be erected, placed or maintained anywhere in or upon any units or common area unless the same shall be contained in conduits or cables installed and maintained underground or concealed in, under or on buildings or other structures approved by the Board.

Section 5. Improvements and Alterations. No improvements, excavation or other work which in any way alters the exterior appearance of any property within Common Areas or the improvements located thereon from its natural or improved state existing on the date such property was first conveyed in fee by Declarant to a Public Purchaser or annexed to Project, whichever is later, shall be made or done.

Section 6. Trailers, Boats and Motor Vehicles. No permanent tent or similar structure, boat, truck of any kind or recreational vehicle, including but not limited to motor homes, trailers of any kind, and campers, shall be parked, maintained, constructed, reconstructed or repaired nor shall any motor vehicle be constructed, reconstructed or repaired, upon any property or street (public or private) within any Common Area in such a manner as will be Visible From Neighboring Property; provided, however, that the provisions of this paragraph shall not apply to emergency repairs of vehicles. The Board may designate an area for the storage or maintenance or repair of motor homes, trailers, trucks, campers and boats. The Association shall have the right to make such rules and allow or disallow any activity that the Board in its discretion may decide.

Section 7. Nuisances. No rubbish or debris of any kind shall be placed or permitted to accumulate upon or adjacent to any Living Units or Common Area, and no odors shall be permitted to arise therefrom, so as to render any such property or any portion thereof unsanitary, unsightly, offensive or detrimental to any other property in the vicinity thereof or to its occupants. No nuisance shall be permitted to exist or operate upon any such property so as to be

offensive or detrimental to any other property in the vicinity thereof or its occupants. Without limiting the generality of any of the foregoing provisions, no exterior speakers, horns, whistles, bells or other sound devices, except approved security devices used exclusively for security purposes, shall be located, used or placed on any such property.

Section 8. Repair of Units. Each Owner shall have the right, at his sole cost and expense, to maintain, repair, paint, paper, panel, plaster, tile and finish the interior surfaces of the ceilings, floors, window frames, door frames, trim and perimeter walls of the Living Unit, and the surfaces of the bearing walls and partitions located within the Living Unit. Said Owners shall have the right to substitute new finished surfaces in place of those existing on said ceiling, floors, walls and doors of said Living Unit.

Section 9. Trash Containers and Collection. No garbage or trash shall be placed or kept on any property within Common Areas except in covered containers of a type, size and style which are approved by the Board. In no event shall such containers be maintained so as to be Visible From Neighboring Property except to make the same available for collection and, then only the shortest time reasonably necessary to effect such collection.

Section 10. Clothes Drying Facilities. Outside clothes line or other outside facilities for drying or airing clothes shall not be erected, placed or maintained on any property within Common Areas unless they are erected, placed and maintained as directed by the Association.

Section 11. Machinery and Equipment. No machinery or equipment of any kind shall be placed, operated or maintained upon or adjacent to any Living Unit except such machinery or equipment as is usual and customary in the County and State in which the Project is located, in connection with the use, maintenance or construction of a private residence or appurtenant structure.

Section 12. Diseases and Insects. No Owner shall permit any thing or condition to exist upon any property within a Living Unit which shall induce, breed or harbor infectious plant diseases or noxious insects.

Section 13. Restrictions on Further Subdivision. No Condominium shall be further subdivided or partitioned and no portion less than all of any such Condominium, nor any easement or other interest therein shall be conveyed by any Owner without the prior written approval of the Board and Mortgagee or Beneficiary under a Deed of Trust.

Section 14. Signs. No signs whatsoever (including but not limited to commercial, political and similar signs) which are Visible From Neighboring Property shall be erected or maintained on any Living Unit, building or Common Area except with the approval of the Board as to design of the following:

- (1) Such signs as may be required by law;
- (2) A residential identification sign of a combined total face area of seventy-two (72) square inches or less;
- (3) During the time of construction of any improvement, one (1) job identification sign not larger than eighteen (18) by twenty-four (24) inches in height and width and having a face area not larger than three (3) square feet; and
- (4) A "for sale" or "for rent" sign, of a reasonable type, size and appearance, which is similar to other signs customarily used in the County and State in which the Project is located, to advertise individual parcels of residential real property.

Notwithstanding any provision herein to the contrary, any owner may display in his/her Living Unit a sign of reasonable dimensions and design conforming with local ordinances advertising the property for sale, lease or exchange pursuant to the rights given fee owners by California Civil Code Section 712; provided, however, any owner who chooses to display such a sign in his/her Living Unit cannot then place another sign in the Common Area, including any area designated by the Board pursuant to the provisions of ARTICLE V, Section 27, for the placement of such signs, without the approval of 100% of the owners.

Section 15. Declarant's Exemption. Nothing contained in the Declaration shall be construed to prevent the erection or maintenance by Declarant, or its duly authorized agents, of signs necessary or convenient to the development, sale, operation or other disposition of property except such signs shall not be on or within any Living Unit not owned by Declarant and provided, however, that such use shall not be for a period of more than seven (7) years from the date hereof, or the sale of all of the Condominiums, whichever shall be the earlier.

Section 16. Mineral Exploration. No property within Common Areas shall be used in any manner to explore for or to remove any water, oil or other hydrocarbons, minerals of any kind, gravel, earth, or any earth substance of any kind.

Section 17. Rental. No Condominium Owner shall lease or rent its Condominium for transient or hotel purposes. No Condominium Owner shall lease less than the entire Condominium. No Owner may lease or rent the parking space(s) he/she has the exclusive right to use separate and apart from the Living Unit to which it is appurtenant. Any lease agreement shall provide that the terms of the lease shall be subject in all respects to the provisions of this Declaration, the By-Laws and Rules of this Association and that any failure by the Lessee to comply with the terms of such documents shall be a default under the lease. All leases shall be in writing.

Any such lease which is either for a period of less than thirty (30) days or pursuant to which the Lessor provides any services normally associated with a hotel shall be deemed to be for transient or hotel purposes.

Section 18. Parking Spaces and Carports. No parking space or carport shall be used in such a manner that any such use interferes with the parking of an automobile in such carport. No carport shall be used for a living area, including but not limited to sleeping quarters. Only a registered and operable automobile shall be parked in any uncovered parking space.

Section 19. Application for Approval of Improvements. Any Owner, except the Declarant and its designated agents, proposing to make any improvement of any kind whatsoever, excepting the replacement of appliances and fixtures which require no structural changes in the building, shall obtain the prior written approval of the Board, shall apply for approval by delivering to such Board a written application, which the Board shall acknowledge receipt thereof, describing the nature of the proposed improvement together with the following documents and information, in such number of copies as said Board may require:

- (1) Floor plans of the affected property showing the location of existing and proposed improvements;
- (2) Drawings showing all elevations;
- (3) The Owner's proposed construction schedule.

The Board may require that every written application for approval in connection with any proposed improvement be accompanied by an inspection fee to be paid to the Association in an amount not to exceed \$50.00.

Section 20. Basis for Approval of Improvements. The Board shall grant the requested approval only if said Board determines, in its sole and absolute discretion, that:

- (1) The Owner shall have strictly complied with the provisions of Section 19 of this Article;
- (2) The proposed improvement conforms to this Declaration particularly to the requirements and restrictions of this Section, and to the Rules in effect at the time the application for approval was submitted;

- (3) The proposed improvement is compatible with the standards of the Project and the purposes of this Declaration as to quality of workmanship and materials;
- (4) The proposed improvement is compatible with the architectural quality of the Project and will not depreciate the value of the Project.

Section 21. Form of Approval. All approvals given under the foregoing Section 20 shall be in writing; provided, however, that any such application for approval which has not been rejected within sixty (60) days from the date of receipt thereof by the Board shall be deemed approved. One set of plans as finally approved shall be retained by the Board as a permanent record.

Section 22. Proceeding with Work. Upon receipt of approval from the Board pursuant to Sections 20 or 21 of this Article, the Owner shall, as soon as practicable, satisfy all terms and conditions thereof and diligently proceed with the commencement and completion of all construction, refinishing, alterations pursuant to said approval; provided, however, such commencement shall occur, in all cases, within one (1) year from the date of such approval. If the Owner shall fail to comply strictly with this paragraph, any approval given pursuant to Sections 20 or 21 of this Article shall be deemed revoked unless the Board, upon written request of the Owner made prior to the expiration of said one (1) year period, extends the time for such commencement. No such extension shall be granted except upon a finding by the Board, in its sole and absolute discretion, that there has been no change in the circumstances under which the original approval was granted.

Section 23. Failure to Complete Work. The Owner shall in any event complete the construction, reconstruction, refinishing, or alteration of any such improvement within one (1) year after commencing construction thereof, except and for so long as such completion is rendered objectively impossible or would result in great hardship to the Owner due to labor disputes, fires, national emergencies, natural calamities or other supervening forces beyond the reasonable control of the Owner or his/her agents. If the Owner fails to comply strictly with this paragraph, the Association shall proceed in accordance with the provisions of the following Section 24 as though the failure to complete the improvement constituted a non-compliance with approved plans.

Section 24. Inspection of Work. Inspection of work and correction of defects therein shall proceed as follows:

- (1) Upon the completion of any construction or reconstruction or the alteration or refinishing of the interior of any improvement, or upon the completion of any other work for which approved plans are required under this Article, the Owner shall give written notice of completion to the Board.
- (2) Within sixty (60) days thereafter, the Board, or its duly authorized representative, may inspect such improvement to determine whether it was constructed, reconstructed, altered or refinished in substantial compliance with the approved plans. If the Board finds that such construction, reconstruction, alteration or refinishing was not done in substantial compliance with the approved plans, it shall notify the Owner in writing of such non-compliance within such sixty (60) days period, specifying the particulars of non-compliance, and shall require the Owner to remedy such non-compliance.
- (3) If upon the expiration of thirty (30) days from the date of such notification, the Owner shall have failed to remedy such non-compliance, the Board shall then set a date on which a hearing shall be held before it regarding the alleged non-compliance. The hearing date shall be not more than thirty (30) days nor less than fifteen (15) days after notice of non-compliance is given to the Owner by the Board. Written notice of the hearing date shall be given at least ten (10) days in advance thereof by the Association to the Owner, and, in the discretion of the Board, to any other interested party.
- (4) At the hearing the Owner, the Board and, in the Board's discretion, any other interested person, may present information relevant to the question of the alleged non-compliance. After considering all such information, the Board shall determine whether there is a non-compliance and, if so, the nature thereof and the estimated cost of correcting or removing the same.

If a non-compliance exists, the Board shall announce its ruling at the conclusion of the hearing and, promptly thereafter, shall direct the Owner in writing to remedy or remove the same within a period of not more than forty-five (45) days from the date of announcement of the Board ruling.

If the Owner does not comply with the Board ruling within such period or within any extension of such period as the Board in its discretion may grant, the Association, after approval by two-thirds (2/3) vote of the Board, shall have the right, through its agents and employees, to either remove the non-complying improvement or remedy the non-compliance. The cost of such actions by the Association shall be added to and become part of the assessment to which such Living Unit is subject.

- (5) If for any reason the Board fails to notify the Owner of any non-compliance within ninety (90) days after receipt of said written notice of completion from the Owner, the improvement shall be deemed to be in accordance with said approved plans.

Section 25. Completion Bond. The Association shall have the right to require a bond or other assurance that all work shall be completed and that no lien shall attach to the Common Area.

Section 26. Use Resulting in Uninsurability Prohibited. No Living Unit or improvements situated therein shall be occupied or used for any purpose or in any manner which shall cause such improvements to be uninsurable against loss by fire or the perils of the extended coverage endorsement to the California Standard Fire Policy form, or cause any such policy or policies representing such insurance to be cancelled or suspended, or the company issuing the same to refuse renewal thereof.

Section 27. Improvements and Uses of Common Areas. Except as otherwise provided herein, the Common Area shall be improved and used only for the following purposes:

- (i) affording vehicular passage and pedestrian movement within the Condominium Property; including access to the Living Units;
- (ii) recreational use by the Owners and occupants of Living Units in the Condominium Property and their guests, subject to Rules established by the Board;
- (iii) beautification of the Common Area and providing privacy to the residents of the Condominium Property through landscaping and such other means as the Board shall deem appropriate;

- (v) as Exclusive Use Areas to be used in the manner hereinafter described. Nothing herein contained shall be deemed to allow persons other than the Owner of a Living Unit to which an Exclusive Use Area is appurtenant (or his tenants and licensees) to enjoy the use thereof.

Without the approval of 100% of the owners, nothing shall be erected, placed or installed in the Common Area except in those areas, if any, designated by the Board of Directors, for the erection, placement or installation of such item, object, material or improvement.

Section 28. Owner's Liability for Damages to Common Area.

Each Owner shall be legally liable to the Association for all damages to the Common Area or to any improvements thereof or thereto, including but not limited to the buildings, recreation facilities and landscaping caused by such Owner, his licensee(s) or any occupancy of such Owner's Living Unit as such liability may be determined under California law.

Section 29. Exclusive Use Area.

Each Exclusive Use Area shall be (i) appurtenant to the Condominium and the Living Unit of which bear the same number as the Exclusive Use Area, with the exception of parking spaces and storage areas which may not bear the same number as the Condominium and Living Unit to which it is appurtenant, as set forth in the Condominium Plan and (ii) used only for the purposes set forth in this Declaration. The right to so use an Exclusive Use Area shall be exercisable only by the Owner(s) of the condominium appurtenant thereto and/or said Owner(s)' tenants and licensee(s). Conveyance of a Condominium shall affect conveyance of Exclusive Use Areas appurtenant thereto and transfer of all rights thereto to the vested Owner of the Condominium. Any licensee(s) thereto shall be terminated upon such conveyance. No Exclusive Use Area or any right thereto (other than said revokable licenses) shall be transferred or conveyed apart from conveyance of the Condominium to which it is appurtenant.

Section 30. Owners Rights to Exclusive Use Areas. Each Owner shall have the following rights with regard to the patio/deck which he has the exclusive right to use:

- (i) Each Owner shall have the right to place furniture and potted plants on the patio/deck, if any, which he has the exclusive right to use.

Each owner shall have the right to place furniture and potted plants upon the Patio/Deck, if any, which he has the exclusive right to use.

Except as provided in this Section 30, nothing contained herein shall give any Owner the right to paint, decorate, remodel or alter said Exclusive Use Areas or any other part of the Common Area without the prior written consent of the Board.

Section 31. Prohibited Activities. No power equipment, hobby shops or car maintenance (other than emergency work) shall be permitted on the Real Property except with prior written approval of the Board. Approval shall not be unreasonably withheld and, in deciding whether to grant approval, the Board shall consider the effects of noise, air pollution, dirt or grease, fire hazard, interference with radio or television reception, and similar objections. No solar equipment, including but not limited to solar collectors and solar panels, shall be installed until approval of the Board has been obtained as to (i) type of solar equipment to be installed and (ii) location thereof.

Each of the Owners of a Condominium, whether such ownership is in fee simple or as a tenant-in-common, is hereby prohibited from partitioning or in any other way severing or separating such ownership from any of the other ownerships in the Condominium Property, except upon the showing that: (i) three (3) years after damage or destruction to the Project which renders a material part thereof unfit for its use prior thereto the Project has not been rebuilt or repaired substantially to its state prior to its damage or destruction, or

(ii) three-fourths (3/4) or more of the Project is destroyed or substantially damaged and Owners holding in aggregate more than a fifty percent (50%) interest in the Common Area are opposed to repair or restoration of the Project, or (iii) that the Project has been in existence in excess of fifty (50) years, that it is obsolete and uneconomic, and that Owners holding in aggregate more than a fifty percent (50%) interest in the Common Area are opposed to repair or restoration of the Project in which case, the net proceeds of the sale and the proceeds, if any of insurance carried by the Association on Condominium Property so partitioned shall be divided among the Living Units within Project based on the ratio that the square footage of the floor area of each individual Living Unit bears to the total square footage of the floor area of all Living Units with the square footage to be as determined and set forth in Recital D of this Declaration; provided, however, that if any Condominium shall be owned by two (2) or more cotenants as tenants-in-common or as joint tenants, nothing herein shall be deemed to prevent a judicial partition as between such cotenants. No Condominium may be partitioned or subdivided without the prior written approval of the Mortgagee holding the first Mortgage on that Condominium.

#### ARTICLE IX

##### POWER OF ATTORNEY

The Association is hereby granted an irrevocable power of attorney to sell the Condominium Property for the benefit of all the Owners thereof when partition of the Owners' interests in said Condominium Property may be had pursuant to Article VIII above. The power of attorney herein granted may be exercised upon the vote or written consent of Owners holding in the aggregate at least two-thirds (2/3) of the interest in the Common Area by any two (2) members of the Board who are hereby authorized to record a certificate of exercise in the Office of the County Recorder, San Diego County which certificate shall be conclusive evidence thereof in favor of any person relying thereon in good faith; provided, however, that said power of attorney shall not apply to the Administrator of Veterans Affairs, an officer of the United States of America.

#### ARTICLE X

- a) Any restoration or repair of the Project, after a partial condemnation or damage due to an insurable hazard, shall be performed substantially in accordance with this Declaration and the original plans and specifications, unless other action is approved by at least fifty-one percent (51%) of the Eligible Mortgage Holders and the prior consent (by vote or written consent) of Members representing sixty-seven percent (67%) or more of the voting power of each class of Members; provided, however, in the event the Class B membership has been converted to Class A membership, then sixty-seven percent (67%) or more of the total voting power of the Association comprised of at least sixty-seven percent (67%) of the votes of Members other than Declarant.
- b) Any election to terminate the legal status of the Project after substantial destruction or a substantial taking in condemnation of the Project property shall require the approval of at least fifty-one percent (51%) of the Eligible Mortgage Holders and the prior consent (by vote or written consent) of Members representing sixty-seven percent (67%) or more of the voting power of each class of Members; provided, however, in the event the Class B membership has been converted to Class A membership, then sixty-seven percent (67%) or more of the total voting power of the Association comprised of at least sixty-seven percent (67%) of the votes of Members other than Declarant.

- c) No reallocation of interests in the Common Areas resulting from a partial condemnation or partial destruction of the Project may be effected without the prior approval of at least fifty-one percent (51%) of the Eligible Mortgage Holders holding Mortgages on all remaining Condominiums whether existing in whole or in part Holders and the prior consent (by vote or written consent) of Members representing sixty-seven percent (67%) or more of the voting power of each class of Members; provided, however, in the event the Class B membership has been converted to Class A membership, then sixty-seven percent (67%) or more of the total voting power of the Association comprised of at least sixty-seven percent (67%) of the votes of Members other than Declarant.

ARTICLE XI

DAMAGE, DESTRUCTION AND CONDEMNATION OF COMMON AREA

Section 1. Damage and Destruction Affecting the Common Area.

If any portion of the Common Area is damaged or destroyed by fire or other casualty, then:

- (a) if
  - (1) the available insurance proceeds initially offered or paid by the insurer do not exceed the sum of Five Thousand Dollars (\$5,000.00), such insurance proceeds shall be paid to the Board; and
  - (2) the cost of repairing or rebuilding does not exceed the amount of available insurance proceeds by more than Five Thousand Dollars (\$5,000,00),

then the Board shall thereupon contract to repair or rebuild the damaged portions of the Common Area substantially in accordance with the original plans and specifications therefor. If the insurance proceeds are insufficient to pay all of the costs of repairing or rebuilding, the Board shall levy a special assessment on all Owners to make up any deficiency, which assessment shall be determined as set forth in ARTICLE III, Section 6. (a) herein.

(b) if the foregoing is inapplicable, then

- (1) all insurance proceeds shall be paid to a bank or trust company to be held for the benefit of the Owners and their Mortgagees and the holders of, or under their sales contract, as their interests shall appear. The Board is authorized on behalf of the Owners, to enter into an agreement, consistent with this Declaration, with such insurance trustee, relating to its powers, duties and compensation, as the Board may approve;
- (2) The Board shall proceed under Section 2 and Section 3 below.

Section 2. Partial Destruction. In the event of partial destruction of the hereinabove described improvements on said property, it shall be the duty of the Association to restore and repair the same to its former conditions (including any damaged Living Units, and any kitchen or bathroom fixtures initially installed therein by Declarant, but not including any wall, ceiling or floor decoration or coverings or other furniture, furnishings, fixtures or equipment installed by Owners in the Units and not covered by the Association master insurance policy) as promptly as practicable and in a lawful and workmanlike manner. The proceeds of any insurance written pursuant to Article IV, Section 5 shall be made available for such purpose and the Association or the Insurance Trustee, as the case may be, shall distribute the proceeds of all insurance policies to the contractors engaged in such repair and restoration in appropriate progress payments, subject to the prior rights of beneficiaries of deeds of trust whose interest may be protected by said policies. In the event that the amount available from the proceeds of such insurance policies for such partial reconstruction shall be inadequate, the Owners of individual Living Units, by an affirmative vote of not less than fifty-one percent (51%) of the members entitled to vote, in person or by proxy at a duly constituted meeting, shall determine whether the Board shall be authorized to proceed with such partial reconstruction or not, and in the event of an affirmative vote, a special assessment of the Owners, with each Living Unit ownership contributing its share to be determined as set forth in ARTICLE III, Section 6. (a) herein, may be levied to provide the necessary funds for such reconstruction, over and above the amount of any insurance proceeds available for such purpose. In the event of a determination by the Owners that the cost of such reconstruction would be so substantial that it would not be in their best interests to proceed with same, the Owners shall proceed as provided in Section 3 hereof.

Section 3. Total Destruction. In the event of total destruction of the improvements on said Real Property, the Owners, by said vote as set out in Section 2 above, shall have the authority to determine whether said improvements shall be rebuilt, or whether said Real Property shall be sold. In the event of a determination to rebuild, the necessary funds shall be raised as provided in Section 2 hereof and the Board shall be authorized to have prepared the necessary plans, specifications and maps and to execute the necessary documents to effect such reconstruction as promptly as practicable, under the guidelines set out in Section 2 hereof, and in a lawful and workmanlike manner.

A certificate of the resolution authorizing such reconstruction where required shall be filed with the County Recorder within six (6) months from the date of such destruction, and in the event of a failure to record such certificate within said period, it shall be conclusively presumed that the Owners have determined not to rebuild said improvements. In the event of a determination not to rebuild, the Board shall be authorized to have prepared and to file, as promptly as practicable, a corrected map converting said Real Property into an unimproved parcel of land, which shall be offered for sale at the highest and best price obtainable, either in its damaged condition or after damaged structures have been razed. The net proceeds of such sale as set out above and proceeds, if any, of insurance carried by the Association on said premises shall be divided among the Units within Project as the fair market value, at the time of the destruction of each Living Unit bears to the total fair market value of all Living Units at the time of destruction, and each Unit's share shall be divided among the Owners of each individual Living Unit. For purposes hereof, fair market value shall be determined by a member of the American Institute of Real Estate Appraisers selected by the Board and hired by and at the expense of the Association. Should dispute arise as to the distribution of insurance proceeds, the dispute shall be decided by arbitration by the American Arbitration Association pursuant to its Commercial Rules of Arbitration.

In all cases above, the balance then due on any individual Living Unit's contract of sale or encumbrance executed in good faith and for value shall be first paid before the distribution of any proceeds to the Owner whose Living Unit is so encumbered.

For the purposes of this agreement "total destruction" means any destruction requiring more than ninety (90) days to repair or any destruction that renders all of the Living Units totally unusable for their intended use.

Section 4. Partition. Six (6) months from the date of any partial or total destruction, if a certificate of a resolution to rebuild where required has not been filed of record as hereinabove provided, or if reconstruction has not been actually commenced within said period, the covenant against partition hereinabove provided shall terminate and be of no further force or effect.

Section 5. Air Space. In the event of total or partial destruction of said improvements, and in the event of a determination not to rebuild the same, fee title to the air space contained or formerly contained within the Living Units as hereinabove described shall be deemed to merge in the interest of each Owner in the Common Area as tenants-in-common with the remaining Owners; provided, however, that if the provisions of this merger should be held to be violative of the rule against perpetuities, said provisions shall become void and be of no further effect twenty-one (21) years after the death of the survivor of the following named individuals: Ethel Kennedy, the wife of the former Attorney General of the United States, and all their children in being at the time this Declaration is recorded in the County Recorder's Office.

Section 6. Taking of Common Area. In the event the award for taking by eminent domain of a part or all of the Common Areas is not apportioned among the Owners by court judgement or by agreement between the condemning authority and each Owner, then the award for such taking shall be payable to the Association, which shall represent the Owners named in the condemnation proceedings. Said award shall be utilized to the extent possible for the repair, restoration, replacement and/or improvement of the remaining Common Area. Any funds not so utilized shall be divided among the Living Units within Project in the same proportion as insurance proceeds will be distributed pursuant to ARTICLE XI, Section 3. above and each Living Unit's share shall be paid first on the balance then due on any individual Living Unit's contract of sale or encumbrance executed in good faith and for value and then paid to the Owner of each Living Unit.

Section 7. Taking of Living Unit. In the event of any taking of a Living Unit, the Owner (and its Mortgagees as their interests may appear) of the Living Unit shall be entitled to receive the award for such taking and after acceptance thereof he and his Mortgagee shall be divested of any further interests in the Condominium Property if such Owner shall vacate his Living Unit as the result of such taking. In such event said Owner shall grant his remaining interests in the Common Area appurtenant to the Living Unit so taken, if any, to the other Owners owning a fractional interest in the same Common Area, such grant to be in proportion to the fractional interest in the Common Area then owned by each.

ARTICLE XIIENFORCEMENT

Section 1. The Association, Declarant or any Owner shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by this Declaration.

Section 2. Failure by the Association, Declarant or any Owner to enforce any provision of this Declaration shall in no event be deemed a waiver of the right to do so thereafter.

ARTICLE XIIIGENERAL PROVISIONS

Section 1. Severability. Should any provision in this Declaration be void or become invalid or unenforceable in law or equity by judgement or court order, the remaining provisions hereof shall be and remain in full force and effect.

Section 2. Amendments. This Declaration may be amended at any time and from time to time by an instrument in writing signed by Members representing seventy-five percent (75%) or more of the voting power of each class of Members unless the Class B membership has been converted to Class A membership, in which event, seventy-five percent (75%) of the total voting power of the Association comprised of at least seventy-five percent (75%) of the votes of Members other than Declarant shall be necessary to amend this Declaration. Such amendment shall become effective upon the recording thereof with the Office of the County Recorder of San Diego County, California; provided, however, that no change may be made to material provisions herein without the prior written consent of Eligible Mortgage Holders, all as more particularly set forth below in Section 3 of this ARTICLE XIII.

Notwithstanding the above or any other section of this Declaration, the percentage of the voting power necessary to amend a specific clause or provision shall not be less than the percentage of affirmative votes prescribed for action to be taken under that clause.

Section 3. Material Amendments. The following provisions do not apply to amendments to the Condominium Documents or termination of the condominium regime made as a result of destruction, damage or condemnation pursuant to ARTICLE X herein.

- a) In addition to the consent of the Members in accordance with Section 2 of this ARTICLE XIII, the approval of at least sixty-seven percent (67%) of the Eligible Mortgage Holders shall be required to terminate the legal status of the Project as a Condominium.
- b) In addition to the consent of the Members in accordance with Section 2 of this ARTICLE XIII, the approval of at least fifty-one percent (51%) of the Eligible Mortgage Holders shall be required to add or amend any material provisions of the Condominium Documents, which establish, provide for, govern or regulate any of the following:
  - 1) Voting;
  - 2) Assessments, assessment liens or subordination of such liens;
  - 3) Reserves for maintenance, repair and replacement for the Common Areas (or Living Units if applicable);
  - 4) Insurance or Fidelity Bonds;
  - 5) Rights to use of the Common Areas;
  - 6) Responsibility for maintenance and repair of the several portions of the Project;
  - 7) Expansion or contraction of the Project or the addition, annexation or withdrawal of property to or from the Project;
  - 8) Boundaries of any Living Unit;
  - 9) The interests in the Common Areas;
  - 10) Convertibility of Living Units into Common Areas or of Common Areas into Living Units;
  - 11) Leasing of Condominiums;

- 12) Imposition of any right of first refusal or similar restriction on the right of an Owner to sell, transfer, or otherwise convey his or her Condominium;
- 13) Any provisions which are for the express benefit of Mortgage holders, Eligible Mortgage Holders or Eligible Insurers or Guarantors.

An addition or amendment to the Condominium Documents shall not be considered material if it is for the purpose of correcting technical errors, or for clarification only. An Eligible Mortgage Holder who receives a written request to approve additions or amendments who does not deliver or post to the requesting party a negative response within thirty (30) days shall be deemed to have approved such request. In addition, so long as there is a Class B Membership, any Amendment to this Declaration shall require the prior approval of the Veterans Administration. A draft of the Amendment shall be submitted to the Veterans Administration for its approval prior to its recordation in the San Diego County Recorder's Office.

Section 4. Extension of Declaration. Each and all of these covenants, conditions and restrictions shall terminate on December 31, 2012, after which date they shall automatically be extended for successive periods of ten (10) years unless the Owners have executed and recorded at any time within six (6) months prior to December 31, 2012, or within six (6) months prior to the end of any such ten (10) year period, in the manner required for a conveyance of real property, a writing in which it is agreed that said restrictions shall terminate on December 31, 2012, or at the end of any such ten (10) year period.

Section 5. Litigation. In the event the Association, Declarant or any Owner shall commence litigation to enforce any of the covenants, conditions or restrictions herein contained, the prevailing party in such litigation shall be entitled to costs of suit and such attorney's fees as the Court may adjudge reasonable and proper. The "prevailing party" shall be the party in whose favor a final judgement is entered.

Section 6. Encroachment Easements. The Owner of each Condominium is hereby granted an easement over all adjoining Living Units and the Common Area for the purpose of accommodating any minor encroachments due to engineering errors, errors in original construction, settlement or shifting of any building, or any other cause. There shall be easements for the maintenance of said encroachments as long as they shall exist, and the rights and obligations of Owners shall not be altered in any way by said encroachments, settlement or shifting; provided, however, that in no event shall an easement for encroachment be created in favor of an Owner if said encroachment occurred due to the willful misconduct of any Owner. In the event any portion of a structure on the Condominium Property is partially or totally destroyed and then repaired or rebuilt, each Owner agrees that minor encroachments over adjoining Living Units or Common Area shall be easements for the maintenance of said encroachments so long as they shall exist.

Section 7. Special Responsibilities of Association. In the event that the improvements to be installed by Declarant to the Common Area have not been completed prior to the issuance by the California Department of Real Estate of a Final Subdivision Public Report covering the Condominium Property, and in the further event that the Association is the obligee under a bond to secure performance by the Declarant to complete such improvements, then if such improvements have not been completed and a Notice of Completion filed within sixty (60) days after the completion date specified in the Planned Construction Statement appended to the bond, the Board shall consider and vote upon the question of whether or not to bring action to enforce the obligations under the bond. If the Association has given an extension in writing for the completion of any such improvement then the Board shall consider and vote on said question if such improvements have not been completed and a Notice of Completion filed within thirty (30) days after the expiration of the extension period. In the event that the Board determines not to take action to enforce the obligations secured by the bond, or does not vote on the question as above provided, then in either such event, upon petition signed by Members representing five percent (5%) of the total voting power of the Association, the Board shall call a special meeting of the Members of the Association to consider the question of overriding the decision of the Board or of requiring the Board to take action on the question of enforcing the obligations secured by the bond. Said meeting of Members shall be held not less than thirty-five (35) days nor more than forty-five (45) days following receipt of the petition. At said meeting a vote of a majority of the voting power of the Members of the Association, excluding the vote of Declarant, to take action to enforce the obligations under the bond shall be deemed to be the decision of the Association, and the Board shall thereafter implement the decision by initiating and pursuing appropriate action in the name of the Association.

Section 8. Limitation of Restrictions on Declarant. Declarant is undertaking the work of construction of residential condominium dwellings and incidental improvements upon the Condominium Property. The completion of that work, and the sale, rental and other disposal of said condominium dwellings is essential to the establishment and welfare of said Condominium Property as a residential community. In order that said work may be completed and said Condominium Property be established as a fully occupied residential community as rapidly as possible, nothing in this Declaration shall be understood or construed to:

- (a) Prevent Declarant, its contractors or subcontractors from doing on the Condominium Property or any Living Unit, whatever is reasonably necessary or advisable in connection with the completion of said work; or

- (b) Prevent Declarant or its representatives from erecting, constructing and maintaining on any part or parts of the Condominium Property, such structures as may be reasonable and necessary for the conduct of its business of completing said work and establishing said Condominium Property as a residential community and disposing of the same in parcels by sale, lease or otherwise; or
- (c) Prevent Declarant from conducting on any part of the Condominium Property its business of completing said work, and of establishing a plan of condominium ownership and of disposing of said Condominium Property in Condominium dwellings by sale, lease or otherwise; or
- (d) Prevent Declarant from maintaining such sign or signs on any of the Condominium Property as may be necessary for the sale, lease or disposition thereof subject to the time limitations set forth in ARTICLE V, Section 15 hereof; provided, however, that the maintenance of any such sign shall not unreasonably interfere with the use by any Owner of his/her Living Unit or the Common Area. Notwithstanding any provision herein to the contrary, Declarant shall not have the right to maintain any sign or signs on or within any Living Unit which is not owned by Declarant.

Except as otherwise provided in Section 15 of ARTICLE V of this Declaration, so long as Declarant, its successors and assigns owns one or more of the Condominiums established and described herein, Declarant, its successors and assigns shall be subject to the provisions of this Declaration.

Section 9. Owners' Compliance. Each Owner, tenant or occupant of a Condominium shall comply with the provisions of this Declaration, the By-Laws, decisions and resolutions of the Association or its duly authorized representative, as lawfully amended from time to time, and failure to comply with any such provisions, decisions, or resolutions shall be grounds for an action to recover sums due, for damages, or for injunctive relief.

Section 10. Notices. Any Owner who encumbers his/her Condominium shall furnish the Association the name and address of the Mortgagee or Beneficiary under a Deed of Trust, and the Association shall maintain such information in a book entitled "Trust Deed of Condominium". The Association shall report to such Mortgagee or Beneficiary any unpaid assessments due from the Owner of such Condominium at the same time as the Association makes demand of the Owner thereof for the payment of such assessment. Each Mortgagee or Beneficiary shall also be entitled to timely written notification from the Association of any other default by its Owner-Trustor in

the performance of such Owner's obligations under the terms and provisions of this Declaration which shall not have been cured within thirty (30) days after written notice to such Owner-Trustor by the Association specifying such default, timely written notification of any eminent domain proceedings and written notification of substantial damage to or destruction of any Living Unit or any part of the Common Area as provided for in ARTICLE IV, Section 18, herein.

Section 11. Examination of Books. The representative of any Mortgagee, Beneficiary, or other lender shall have the right to examine the books and records of the Association during reasonable business hours. A copy of the audit required under ARTICLE VIII, Section 2 (i) (2) of the By-Laws shall be mailed to each lender who requests same within the time limit prescribed in said ARTICLE VIII, Section 2. (i) (2) of the By-Laws.

Section 12. Meetings, Notice and Representation. Each Mortgagee or Beneficiary who has furnished the Association with an address as set out in Section 10 above shall be given notice of all meetings of the Association membership on the same basis as Members and shall be permitted to designate a representative to attend all such meetings.

Section 13. Captions. The captions appearing at the commencement of the paragraphs hereof are descriptive only and for convenience in reference. Should there be any conflict between any such caption and the paragraph at the head of which it appears, the paragraph and not the caption shall control and govern in the construction of this Declaration.

Section 14. Vote of Membership. Except as otherwise provided in Section 11 of ARTICLE IV hereof, Sections 2 and 7 of ARTICLE XIII hereof, ARTICLE XIV of the By-Laws and ARTICLE VIII of the Articles; if the Class B membership has been converted to Class A membership, then wherever the provisions of this Declaration, the Articles or the By-Laws call for membership approval of action to be taken by the Association, the vote or written assent of a bare majority of the total voting power of the Association, comprised of at least the percentage of the voting power of members other than Declarant prescribed for action under any such provision, shall be necessary for such approval.

Section 15. Liability Limit. No member of the Board, or the Manager, shall be personally liable to any Owner, or to any other party, for any damage, loss or prejudice suffered or claimed on account of any act or omission of the Association, the Board, the Manager, or any other representatives or employees of the Association, or the Architectural Committee, provided that such Board member, or the Manager, has upon the basis of such information as may be possessed by him/her, acted in good faith.

Section 16. Annexation.

(b) If, within three (3) years of the date of the original issuance by the California Department of Real Estate of the most recently issued Final Subdivision Public Report covering the Project, Declarant should develop additional property, such additional property may be added to and included within the jurisdiction of the Association upon the approval in writing of the Association, pursuant to a two-thirds (2/3) majority of the voting power of its Members, or the written assent of such Members, excluding the voting power of written assent of Declarant unless the development of the additional lands shall be in accord with the detailed plan of development submitted to (i) the Department of Real Estate with the application for a Subdivision Public Report for the first phase in connection with the Condominium Property, and (ii) to the Veterans Administration. Said annexation may be accomplished by the recording of a Condominium Plan on the property to be annexed and by recording a Supplementary Declaration of Covenants, Conditions and Restrictions which annexes the property and requires Owners of Condominiums therein to be members of the Association and make new owners subject to the original Declaration of Covenants, Conditions and Restrictions of East Bluff Unit No. 4 and the close of the first sale of a Condominium by Declarant in the property to be annexed. The obligation of annexed Condominium Owners to pay dues to the Association and the right of such Condominium Owners to exercise voting rights in the Association in such annexed property shall not commence until the first day of the month following close of the first sale of a Condominium by Declarant in that phase of development. The Declarant shall pay to the Association, concurrently with the closing of the escrow for the first sale of a Condominium by Declarant in an annexed phase, appropriate amounts for reserves for replacement or deferred maintenance of common area improvements in the annexed phase. Such reserves will be necessitated by the use and occupancy of the Condominium units under a rental program by the Declarant which has been in effect for a period of not less than one year from the date of closing of the escrow for the first sale of a Condominium unit in the annexed phase. Prior to any annexation under this provision, detailed plans for the development of the property to be annexed must be submitted to the Veterans Administration, and the Veterans Administration must determine that such detailed plans are in accordance with the general plan and so advise Declarant. If annexation occurs, Declarant contemplates that the entire Project will consist of approximately two hundred fifteen (215) Condominiums. Nothing contained herein, however, shall require Declarant to construct or to complete future phases of the Project. Any future improvements to the Project shall be consistent with initial improvements in terms of quality of construction. Such additional property is more particularly described in Exhibit "A," consisting of 2 pages, which is attached hereto and by this reference made a part hereof.

Section 17. Conflicting Provisions. In the case of any conflict between this Declaration and the Articles or the By-Laws, this Declaration shall control. In the event of any conflict between the Articles and the By-Laws, the Articles shall control.

All agreements and determinations lawfully made by the Association in accordance with the voting percentages established in this Declaration or in the By-Laws, shall be deemed to be binding on all Owners of Condominiums, their successors and assigns.

There will be constructed upon said land "individual condominiums", each with a living unit hereinafter designated as "unit", numbered 36 through 98 inclusive, all as shown on a diagrammatic map attached to and made part of the Certificate being recorded just prior hereto, and a common area consisting of the entire project, except therefrom said units 36 through 98 inclusive, subject to the terms and conditions hereof.

Said sixty-three (63) condominiums shall be offered for sale to the public and the Grant Deeds conveying said interest in said project to the individual purchasers of said condominiums shall expressly incorporate by reference and be made subject to this Supplementary Declaration of Covenants, Conditions and Restrictions and the Declaration of Covenants, Conditions and Restrictions of East Bluff N.C.W. 3 Unit No. 4 in San Diego County, California, recorded June 5, 1985 in the Official Records of San Diego County, California, as File/Page No. 85-199996.

The hereinabove described real property consists of approximately 3.774 acres abutting on Del Mar Heights Road. There will be constructed upon said land "individual condominiums", each with a living unit hereinafter designated as "unit", numbered 1 through 39 inclusive, all as shown on a diagrammatic map attached to and made part of the Certificate being recorded just prior hereto, and a common area consisting of the entire project, except therefrom said units 1 through 39 inclusive, subject to the terms and conditions hereof.

Said thirty-nine (39) condominiums shall be offered for sale to the public and the Grant Deeds conveying said interest in said project to the individual purchasers of said condominiums shall expressly incorporate by reference and be made subject to this Supplementary Declaration of Covenants, Conditions and Restrictions and the Declaration of Covenants, Conditions and Restrictions of East Bluff N.C.W. 3 Unit No. 4 in San Diego County, California, recorded June 5, 1985 in the Official Records of San Diego County, California, as File/Page No. 85-199996.

Subject to annexation of additional property as set forth above:

- (i) Declarant hereby reserves for the benefit of and appurtenant to the Condominiums hereinafter located on Lots 1 and 2 of N.C.W.
